

# 2009 Pellissippi Lodge **Vigil Nominations**

My Brothers,

The time has come to choose the next Vigil class for our lodge. The Vigil Honor is for those scouts who are active and registered members of Pellissippi Lodge and who have been Brotherhood for at least two years. This recognition is not something one can work towards; instead, Vigils are chosen because others have noticed the work and diligence they have shown for the Order. If there is an Arrowman who you feel deserves this Honor, now is the time to let it be known. Those who are nominated will be selected by a committee.

Please submit completed nominations by November 1<sup>st</sup> either at the next lodge function or by mail to:
